Modern Pergola > MINIMAL

A modern version of aluminium pergolas in simple and minimal line, suitable for buildings with the concept "less is more". Available in several colors, with seaside class powder coating and indisputable high construction quality. It is the ideal architectural solution for spaces surrounding modern houses.

Easy and fast construction. Special joints for the installation of transversal purlins on crossbars without further processing or joints.

Modern Pergola > **MINIMAL**

Simple / Modern / Linear
without almost any visible screws

Modern Pergola > MINIMAL

Minimal - With canvas roofing

Another version of pergola, featuring a soft line of canvas on the fixed aluminium structure. The combination of modern pergolas with canvas offer additional shading to balconies, gardens etc.

The use of woven canvas offers shading and a modern or traditional result, depending on the desirable style.

Modern Pergola > MINIMAL

Minimal - With louvers

Class meets quality. One more option of the modern pergola, where fixed louver blades may be used in certain parts, giving originality to modern design. Highly recommended for those seeking things out of the ordinary.

Oval
Blades

Modern Pergola > **MINIMAL**

Flat Blades

Modern Pergola > MINIMAL

TECHNICAL DETAILS
